Dade Heritage Trust

Dade Heritage Trust is the umbrella organization for Friends of Marine Stadium. It is the foremost organization devoted to Historic Preservation in Miami Dade County. March 11-12, DHT will be sponsoring an International Conference on Mid-Century Architecture, which will include special events and tours. The Miami Marine Stadium will be prominently featured. Email Dade Heritage Trust to request more information or call 305-358-9572.

Press

We have had great press lately:

AIA Architect, the web publication of the American Institute of Architects, featured a beautifully written essay on the architectural significance of the Marine Stadium in their October 8 issue. Be sure to scroll through the collection of photographs from the Bramson Archive, which is part of the article and shows the Marine Stadium under construction.

Civil Engineering Magazine, October, 2010 had a feature length article on the engineering aspects of the Marine Stadium, including interviews with Jack Meyer, the original engineer of the Stadium and Mike Brainerd, Senior Project Engineer for Simpson, Gumpertz and Heger, the firm that completed the engineering study in January, 2010.

BusinessMiami is the magazine of the University of Miami School of Business Administration. The fall issue has a feature length article about the Spring, 2010 MBA Finance Course that analyzed and

Miami Dragon Boat Festival Nov. 13

The Miami Dragon Boat Club is sponsoring a festival adjacent to the Marine Stadium on Saturday, November 13, from 10:00 AM to 5:00 PM. There will be dragon boat races, vendor booths, and entertainment and the event is FREE. Click here for more information. Friends of Marine Stadium will have a booth at the event. Drop by and find out why dragon boating is one of the fastest growing outdoor participant and spectator sports events in the world. The Miami Dragon Boat Club is one of the many organizations that strongly support the restoration of the Marine Stadium; they expect to hold large scale dragon boat events at the restored Stadium.

developed three different proposed uses for a parcel adjacent to the Marine Stadium.

As always, we are working on more press coverage.

Marine Stadium Memories
Since May of 2009, girl scout Hannah Imberman has been compiling people's memories of the Marine Stadium for a book entitled IF SEATS COULD TALK. Progress has been steady, and Hannah has now collected over 85 stories.

We've now formed a group to further develop this project and publish the book. If you would like to participate, please let us know. And if you haven't provided us with your memory and would like to, please reply to this email. We now will make it easy for you—and transcribe your Marine Stadium story—you can dictate it to us!

Conclusion
We've got a lot of work to do and we're on the case.
